July 26, 2008

On behalf of the Milwaukee County Sheriff's Office I would like to offer a personal note of welcome to all of the delegates of the 2008 FBI National Academy Conference.

The Milwaukee County Sheriff's Office is the largest sheriff's office in the State of Wisconsin. Founded in 1835, it is also the oldest office in the state. The respect and heartfelt thanks of our over 900-members are extended to our national and international law enforcement family, who faithfully and honorably serve God by serving others. Daily, they preserve our way of life.

The upcoming conference promises to provide the finest in training and networking to hundreds of senior law enforcement professionals from around the world. These executives, dedicated to providing our communities and profession with the highest degree of law enforcement expertise, training, education and information, promise to set the standards for worldwide law enforcement over the coming decades.

From its inception in 1935, the FBI National Academy has consistently been a vital element in the continuing improvement of law enforcement standards, knowledge, and cooperation throughout the world. I and my senior command staff members are proud graduates of the FBI National Academy program. I support their mission and methods, and am proud to co-host their 2008 conference "Partnering for a Safer World."

Sincerely,

A handwritten signature in blue ink that reads "David A. Clarke Jr." in a cursive script.
